SEVEN STRAIGHT FOR ONAGER.

Wilson's Crack Two-Year-Old Wins the Bouquet Stakes.

R. T. Wilson Jr.'s crack two-year-old Onager scored his seventh consecutive victory when he ran off with the Bouquet Stakes, four and one-half furlongs straightaway, at Belmont Park yesterday. The son of Plaudit—Ondurdis, an over-winning favorite, showed his heels as the start, and with a fine turn of speed he was always in front. Creasy had him under a pull as he passed past the judges with a margin of four lengths, having run the distance in 0:52 3-5. Onager was bred by John E. Morris. He has been defeated only once, by Laddieette the first time he started. Estimated to be sold for only \$1,700, the youngster escaped without a bid. Frederick Johnson's Miss Nett, a black filly by Nasturium—Merrily, stood a long, vigorous drive and got the place by a nose from H. L. Shaw's filly Anna Casee, by Casuarin—Brestig. The only other starter was H. G. Bedwell's Franki Busselatter, a black colt by Bearcatcher. Laddieette, who won some races in California last winter, bolted as short. Former winners at this track were Andoyne, McCarter, Elba O'Neill, France and Madeline.

H. P. Whitney's Diana Ken, by Yankees, made all the running in a handicap and a mile and a furlong and won cleverly by length and a half in the fast time of 1:32 2-5. R. T. Wilson's \$10,000 Olambia, who is getting ready for the Brooklyn Handicap, was the favorite, but he ran in closer quarters a part of the way, and then getting clear closed rapidly and was second, a head in front of Ziesap, who received a fine ride from George H. Morris.

The tournament committee consisted of H. E. Danforth, Findlay Douglas, the chairman; Brown & J. C. McElroy, the judges. Douglass, however, was not present as he preferred to put in the day in practice at Morris county, where he will start this morning in the metropolitan championship.

The results of yesterday's handicap are as follows:

	Gross.	Hcap.	Ntr.
E. M. Chassar.	100	10	\$4
E. C. Molby.	100	15	—

The best golfer in the district put in useful practice rounds on the Morris county links yesterday, and if preliminary tryouts are any indication low scores will prevail in the qualifying round of the metropolitan. Fred Herreshoff of Westbrook, with the best score, reeling off a 72, and had not missed a putt on the last green, the total would have been a stroke less. As it is, Herreshoff is close to the amateur record for the course.
